Stay Close To Me

(Composed by Tara and Scott Cameron)

Every time I think of you A dream flies from my heart
It's a dream I'm not alone You're always holding on to me
Every time I think of you A song flies from my heart
It's a song I wrote for you So very long ago

Stay to close to me And I'll stay close to you
Wherever I go I know you're gonna be there
Stay close to me And I'll stay close to you
My strength and my shield You make the best of me

Every time I hear your word The closer I can be
The light of truth grows brighter now Shining like the sea
Every time I hear your word The stronger I can be
The roots of faith grow deeper And the Spirit grows in me

Stay to close to me And I'll stay close to you
Wherever I go I know you're gonna be there
Stay close to me And I'll stay close to you
The world's gonna know You make the best of me

Every time I sing to you The more I want to be
In the shelter of your arms You're always holding on to me
Every time I sing to you The nearer I can be
I can feel your heart, it's beating Like you're standing next to me

Stay to close to me And I'll stay close to you
Wherever I go I know you're gonna be there
Stay close to me And I'll stay close to you
My faith is in you You make the best of me

Stay to close to me And I'll stay close to you
Wherever I go I know you're gonna be there
Stay close to me And I'll stay close to you
My strength and my shield You make the best of me
